Prior to issuance of grading/excavating permit, an inspection must be completed by the storm water management program to insure compliance with §12-304(f) of the storm water management ordinance. The following information must be attached with this application when submitted for approval:

1. Tennessee Contractors License.
2. Workman's Compensation Insurance Certificate.
3. Four sets of Plans showing all specifics of the grading/excavation, including location, size, materials, etc., and supporting data consisting of a soil engineering report and engineering geology report. The plans and specifications shall be prepared and signed by a civil engineer and must comply with §12-305 of the Smyrna Municipal Code.

I have received and reviewed a copy of Smyrna Municipal Code Title 12, Chapter 3 related to grading and excavation, as well as Smyrna Municipal Code Title 14, Chapter 6 related to storm water management.

I hereby agree to comply with all of the applicable provisions of the Smyrna Municipal Code related to grading, excavation, and storm water management, as well as all other applicable federal and state laws, and local ordinances.

I hereby certify that I have read and examined this application and understand and agree that any error, misstatement or misrepresentation of fact, either with or without intention on my part, such as might, if known, cause a refusal of this approval, may constitute sufficient grounds for the revocation of such approval. I further understand that all provisions, laws and ordinances governing this type of work will be complied with at all times, whether specified herein or not. Failure to do so may constitute sufficient grounds for revocation of such approval, the issuance of a stop work order, and/or citation to municipal court or other available legal remedies.
